Association of Corporate Treasurers of Nigeria (ACTN)

Defining the standards in corporate treasury function.

The Association of Corporate Treasurers of Nigeria (ACTN) is the premier professional body representing the interests of corporate treasurers and finance professionals in Nigeria. Our mission is to empower treasury and finance professionals through advocacy, knowledge-sharing, professional development, and networking opportunities.

Founded to address the evolving challenges of corporate treasury management, ACTN provides a robust platform for professionals to enhance their expertise, stay ahead of industry trends, and contribute to Nigeria's economic growth.

ACTN MEMBERSHIP BY SECTOR CLASSIFICATION

Activities

ACTN seeks to collaborate with the government and other regulatory bodies in formulating applicable policies, establish funds for the maintenance and promotion of research into key areas of corporate treasury, and to encourage and establish dialogue among treasury, risk management and corporate finance practitioners through periodic journals, regular workshops and presentations on relevant subjects. Its activities include:

- 1. Advocacy:** We spearhead advocacy for change in both the professional ethos of the function as well as in the fostering of the use of technology to drive the Corporate Treasury Function. A key element of our advocacy involves partnering with Regulatory bodies to give insights on the possible impact of policies that are under consideration, from a Corporate perspective.
- 2. Meetings:** We host regular meetings on a range of topics, from discussions on issues of professional development, alternative and non-conventional mode of funding available to corporates, foreign exchange policy and structural imbalances, issues relevant to the development of the corporate treasury function (as distinct from the interbank treasury function), meetings to review the economic outlook and/or the performance of the economy, and

the roles played by monetary authorities, regulators and policy makers as they affect the Corporate Treasury Function.

- 3. Conferences:** The Association has successfully hosted two conferences of international standards, culled the Treasury 360 conference and exhibition, which have been instrumental in providing valuable insights and resources to our members.
- 4. Training:** The association also offers training for the learning and development of its members, exposing them to contemporary practices and trends in managing Treasuries of large corporations, and in the area of risk management in the Treasury function.

Governance

Day to day management of the Associations activities is vested in its Executive Secretary/CEO, Mr. Seun Akinfolarin, who reports into the Governing Council, currently Presided over by Mr. Yinka Ogunnubi. The Association has 11 members on its Governing Council, including 1 nominee from the FMDQ

and one external adviser. Members of the Governing council are elected into office after nominations from each of the sub-sectors the relevant Corporates operate in. This ensures appropriate and diverse representation of members, as well as representation by those professionals that have demonstrated an exemplary track record or leadership in their industry.

Our Commitment

The ACTN remains committed to supporting CBN's initiatives and policies in guiding financial markets towards the attainment of price stability. As with previous administrations, the association is ever willing to partner as a sounding board for the policies of the CBN, as they affect financial markets.

Compliance and collaboration are central tenets of our association's ethos. Leveraging our extensive network and privileged communications, we believe the ACTN can serve as a valuable resource in policy formulation, implementation, and obtaining feedback. We are keen to contribute to the think tank or sound board for policy creation, ensuring alignment with industry needs and best practices.

Theme: Navigating Treasury Challenges in Nigeria: Leveraging Digital Finance & AI for Efficiency

The 2025 Treasury360 Conference, Exhibition, and Corporate Treasury Awards will serve as a premier platform for corporate treasurers, CFOs, finance executives, and industry stakeholders to explore emerging trends, strategies, and innovations in treasury management.

Conference Focus

Themed “**Navigating Treasury Challenges in Nigeria: Leveraging Digital Finance & AI for Efficiency,**” this year’s event will address the pressing challenges in treasury management amid economic volatility, rising inflation, currency fluctuations, and regulatory shifts. The discussions will highlight how digital finance tools, automation, and artificial intelligence (AI) can enhance treasury operations, risk management, and financial decision-making.

Key Discussion Areas:

AI-Powered Treasury Management

Exploring the impact of AI and machine learning on cash flow forecasting, risk assessment, and liquidity management.

Digital Payments & Blockchain in Treasury

The role of fintech solutions, blockchain technology, and CBDCs in enhancing payment efficiency and security.

Managing FX Volatility & Inflation Risks

Strategies for treasury teams to navigate Nigeria’s foreign exchange and inflationary pressures.

Regulatory Compliance & Treasury Risk

Understanding the evolving regulatory landscape and how AI can support compliance.

Sustainable & ESG-focused Treasury

How corporate treasurers can integrate sustainability goals into financial planning.

Cybersecurity & Fraud Prevention in Treasury

Leveraging AI to enhance security and detect financial fraud.

Everything depends on how you connect.

Why Sponsor

Treasury360 Nigeria Conference, Exhibition, and Corporate Treasury Awards?

Sponsoring the 2025 Treasury360 Conference, Exhibition, and Corporate Treasury Awards presents a strategic opportunity to elevate your brand, connect with industry leaders, and position your business at the forefront of treasury, digital finance, and AI-driven solutions.

Unparalleled Brand Visibility

Gain premium exposure to top corporate treasurers, CFOs, finance executives, and decision-makers in Nigeria's financial ecosystem. Your brand will be prominently featured across event marketing, media promotions, and high-impact networking sessions.

Access to Key Decision-Makers

Engage directly with a highly targeted audience seeking AI-powered treasury solutions, digital payment innovations, and risk management strategies. Strengthen relationships and generate quality leads.

Position Your Brand as an Industry Leader

Sponsoring this event allows you to align your brand with innovation, thought leadership, and excellence in treasury management. Leverage keynote sessions, panel discussions, and workshops to showcase your expertise.

Showcase Your Cutting-Edge Solutions

Demonstrate how your AI, fintech, and digital finance solutions can help businesses optimize treasury operations, improve cash flow management, and mitigate financial risks. Connect with attendees looking for the latest tools and technologies.

Leverage High-Impact Marketing & Media Coverage

Enjoy extensive pre-event, on-site, and post-event marketing through digital campaigns, social media, and strategic media partnerships. Your brand will be prominently featured in event publications, interviews, and industry reports.

Support & Celebrate Industry Excellence

Be part of the prestigious Corporate Treasury Awards, recognizing outstanding achievements in treasury and finance. Aligning your brand with these awards enhances credibility and trust within the financial community.

Stay Ahead in Nigeria's Evolving Treasury Landscape

As businesses navigate economic uncertainties, FX volatility, and regulatory changes, the 2025 Treasury360 Conference provides a unique platform to connect, collaborate, and co-create solutions that drive efficiency and financial sustainability.

Join us as a sponsor and make an impact at the 2025 Treasury360 Conference, Exhibition, and Corporate Treasury Awards! Let's shape the future of treasury together.

Who will you meet?

Corporate treasurers, CFOs and finance directors from a wide range of corporate industries.

Banks, financial institutions and system providers who want to meet with treasury decision makers and better understand the challenges they face.

Relevant consultancy and legal professionals

Financial technology companies that offer payment, working capital, supply chain, risk, FX, asset management and funding solutions

Heads and senior executives within the shared service industry who need to understand the changing relationship between treasury and shared services.

Bring your brand to the forefront and make a lasting impression with Treasury360 Nigeria. Reach out to our team now to get involved
